You are also eligible to join the Nominations Committee to ensure suitable candidates are found for Director selection from year to year.

Why Micah Projects is unique?

Since its beginning in 1995, Micah Projects' mission has been to respond to people who experience exclusion, poverty, injustice, violence and social isolation so that they may experience inclusion, economic wellbeing, justice, safety and connection within their community of choice. We believe it is possible to prevent and end homelessness, eliminate poverty and injustice, and create equality and safety in relationships, families and community. We are a community-based organisation making a real difference.
